

A Press Release from the Main Street Gallery, Cambridge, MD  
March 25, 2010

Cub Scout Pack 169 from East New Market paid a visit to MSG to see and learn about visual art. The boys listened attentively to gallery artists, Linda Starling and Theresa Knight McFadden, who gave them a tour of the gallery, talked about how they make their own art and answered many questions. The gallery visit helps fulfill requirements for earning scout art merit badges.
