

Main Street Guest Artist Opportunities

Thank you for your interest in becoming a guest artist at Main Street Gallery. Our members are a harmonious group of painters, photographers, ceramists, jewelry, and furniture artists who work together to spotlight their art in Cambridge, MD's vibrant downtown Arts and Entertainment District. We also look to invite regional artists, to compliment our members' work, from time to time, for two-month shows.

To promote our art, we hold gallery openings for every new show on Second Saturday each month featuring a member of our gallery or guest artist. All shows are well advertised by way of newspapers, posters, websites, postcard distribution, and e-mail announcements using Main Street Gallery's mailing list, which is included in the rental fee. The guest artists at their own cost may choose to do additional advertising.

Guest artist fees

Rental for 2D or 3D space is \$75 a month with a two-month minimum for a total of \$150. For 2D works, guest artists are allowed wall space (in the preferred front of the gallery) that extends approximately 8 x 8 feet and two panels that are 3 feet by 8 feet. For 3D works, there are 4 shelves that are 8 feet high and 4 feet wide. 3D space also includes some windowsill space. Floor space is also available for larger works.

MSG's Commission of sales from artwork consigned to the gallery is 30% of the actual price realized from the sale. Commissions due will be deducted from all sales and the artist will receive payment within 30 days after the show ends. Maryland sales tax will be collected and submitted by the gallery.

Guest artist requirements

1. The guest artist is required to attend at least the opening of their work on the evening of the Second Saturday of the first month of their show
