Presents:

## Workshops in January

*MSG members and friends are proud to present our first series of January workshops.*

### Salisbury Book Artists Return Saturday, January 10!!

The very popular **Salisbury Book Artists** are returning to MSG With three new and beautiful ways to make an artist book.

**Saturday, January 10  
10:00 – 2:00**

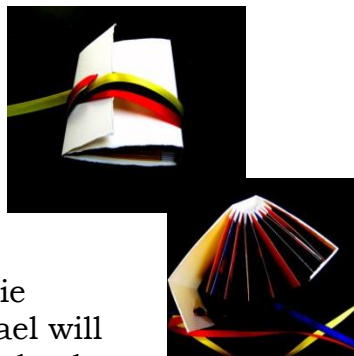

Main Street Gallery  
518 Poplar St.  
Cambridge

At this workshop, instructors, Clytie Taylor, Lisa Fritts and Barbara Israel will teach you to make the three artists books pictured: a Flag book, a Concertina book, and a Flexagon book.

**Cost: \$45**

**Bring your lunch**

**Required Supplies:** **Concertina book** - 8"x12" or larger 120 or 140lb., if possible, watercolor paper, blank 3x5 cards, white or colored, **Flexigon book:** 12"x12" card stock or sturdy scrapbook paper w/no pattern, can be colored, other card stock For **Flag book:** 10-12 pieces of card stock of at least 5"x7" (recycled

greeting cards work well)  
Scissors, bone folder/craft stick. pencil, glue stick, ruler

**Optional supplies:** (if already owned by student) 2-3 2oz. bottles of cheap acrylic paint or any acrylic paint one has on hand, various collected collage papers, found objects, ephemera, micron or Pitt pens for black ink, gel, souffle or glaze pens, brayer, markers, colored pencils, stickers, rub-ons, stencils, rubber stamps/pad, punches, eyelets and eyelet setting tool)

### Sip and Create!! with Joanna McCoy on Saturday, January 17!!

In this one-day workshop, Joanna will guide you in making a beautiful oil painting of a landscape. Your masterpiece will be completed by the end of class.

**Saturday, January 17<sup>th</sup>  
9:00- 4:00**

High Spot on High Street  
305 High Street  
Cambridge

**Cost: \$65**

**Price includes instruction, all supplies, buffet lunch, and tons of fun. Adult beverages available from bar**

To learn more about Joanna's work, visit her website:  
<http://www.anniemccoyart.com>

## **A WAY TO ABSTRACTION: A Workshop with Deborah Haynes, MFA on January 18th**

(abstract: To take away, remove)

This workshop will give the participant a chance to see as the Cubist and Abstract painters saw. Participants will experiment with Abstract compositions, which unlike compositions with pictorial representations and narrative content; have an intellectual and affective artistic content depending solely on intrinsic form.

**Sunday, January 18<sup>th</sup>**

**10:00 to 3:00** with an hour for lunch (12-1) You can bring your lunch and eat in or go to one of the many nearby restaurants

Main Street Gallery  
518 Poplar St. Cambridge

**COST: \$30**

### **Supplies:**

2 regular or medium point **BLACK SHARPIE PENS**

2 regular or medium point **RED SHARPIE PENS**

**12 inch RULER**

**Canvas**, 8"x11" or thereabout

At least 5 books/magazines with large images of some favorite things.

Recommended: Nature, Art Journals, Simple Living, Vogue, National Geographic

## **Line/Shape/Value/Color/Self Expression: Five Three Hour Workshops with nationally acclaimed artist, Chris Carter**

<http://www.chriscarterart.com>

**Friday, January 30 through Sunday, February 1**

Main Street Gallery  
518 Poplar St  
Cambridge

Chris Carter's Modular Workshops allow students to pick from five separate, three-hour sessions to create a customized learning experience. Artists may choose one or more sessions to attend.

**Sign up for one workshop at \$50. Subsequent workshops are \$40 each. Take any number or all 5!**

**Module One:Line** - Experiment with variations of line-making to discover and strengthen your own language of line. Basic to intermediate drawing skills are suggested.

**Friday, January 30, 6:00 – 9:00pm**

**Module Two: Shape** - The focus of this module is to simplify the chaos of shapes around you into manageable pieces as well as to explore the kinds of shapes you enjoy most. Basic to intermediate drawing skills are suggested.

**Saturday, Jan. 31 – 9:00am-12:00**

**Module Three: Value** - Value is the key to strong drawing and strong painting. The Value Module focuses both on grayscale values and color values. Intermediate to Advanced skills are suggested.

**Saturday, Jan. 31, 1:00-4:00pm**

**Module Four: Color** - This module covers basic color theory and color mixing using a limited palette. If time permits, we will scratch the surface of playing with Color Schemes. Basic to intermediate skills suggested.

**Sunday, Feb. 1, 10:00-1:00**

**Module Five: Self Expression** - Out of the nest! A series of short exercises will reinforce your personal approach to using line, shape, value and color.

Intermediate to Advanced skills suggested.

**Sunday, Feb, 1, 2:00-5:00**

Supplies for the these workshops can be found here
