Cambridge MD*

Ages 12 to adult

\$35 per participant

*\$60 discounted fee for adult
accompanied by a child (12 and over)*

**IT'S SPRING AND TIME TO BE
CREATIVE! Come join artist, Kathy**

Flament in making fun and fanciful molded spring flowers! Kathy will teach you how to mold, cut, shape, and assemble paper pieces into 5 beautiful poppy flowers which you will then paint in your favorite colors!

Don't care for poppies? Then you are welcome to bring in images of any flowers you would like to create and Kathy will devise a way for you to sculpt them. Flowers created from whimsy are encouraged, too. Maybe you will want a bouquet of roosters? Or cowboy boots?

In addition to the five flowers, which will look smashing in any vase, Kathy will also show you how to turn thrift store vases into art, too.

Once you learn the easy skill of creating paper molding, the sky is wide open for you to create other sculptures at home such as flowers of all sorts, keep-sake boxes or animals.

Participants need to bring an apron or old shirt, 2 to 3 rags, two 6"-*8" bowls, two 3"-4" bowls and a thrift store vase.

Registration deadline is **Thursday, June 7**. **Mail or bring** the registration form (below) to: Main Street Gallery, 518 Poplar St., Cambridge, MD 21613. The gallery is open from 11-4 pm Friday through Monday. Checks made out to Main St. Gallery or credit cards are accepted for payment.

Space is limited so register early!
